**** These classes are external studies classes and students are not required to meet during these times. Arrangements can be made with the instructor to work on these classes at other times that would match your schedule. Students who enroll in an external studies class must maintain a log of the time spent on class work. A minimum of forty-five hours of work and four meetings with the instructor are required to complete course.**

Location:

The External studies meetings will meet at Dodge City Community College, in the Computer Lab Building. The Computer Lab Building is located just east of the Dorms and north of the Lake Charles.

Registration: No pre-registration is required.

You may register for any of these classes by telephone by calling (316) 225-4114 or you may register at the first class meetings.

Cost:

Cost for each class is \$73.00 for tuition and fees, plus books and supplies. Senior Citizens do not have to pay tuition if they qualify. Other Scholarships are available to help with the cost of these classes.

Special Notice:

Other external studies computer classes are available on an arranged schedule.

Other Locations:

External Studies Classes can be taught at your place of business at your convenience.
